1 MOM Can I get a new pet. Cat!
Plzzzzz

2 Yes my dear but for pet you should have caring responsibility

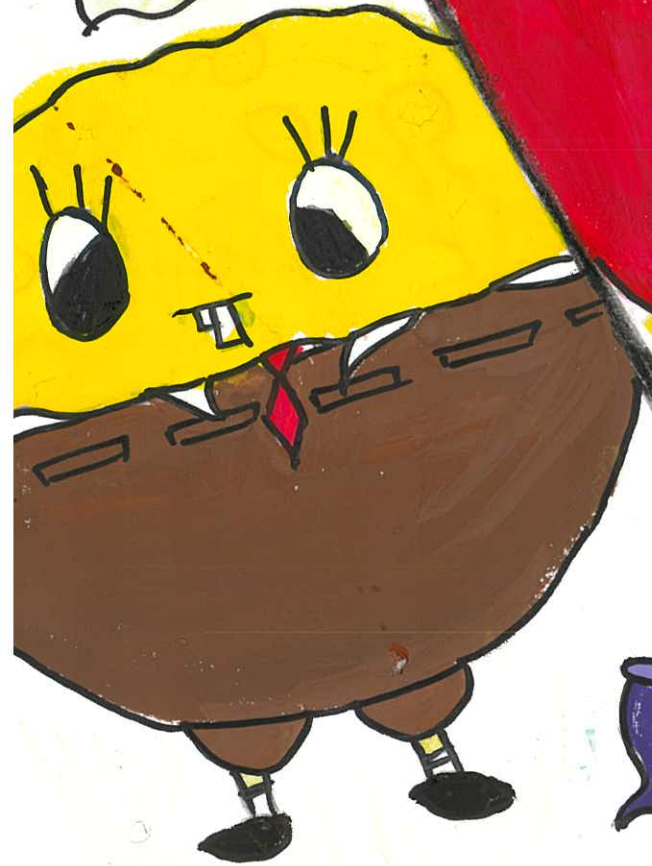

3 and it is hard my dear

After buying a cat at home

If you take care of other's they will take care of you

4 MOM is right being responsible is hard but if not possible I am gonna do it for my pet cat.

It is so hard to care for others. When I can not even take care of myself.

Even for pets ok!

We should have Caring responsibility!
