

# Civil awareness

Vandalism

# What is vandalism?

- Vandalism is the action involving deliberate destruction of or damage to public or private property.

# Examples of vandalism include...

- include salting lawns, cutting trees without permission, egg throwing, breaking windows, arson, spraying paint on others' properties, tagging, placing glue into locks, tire slashing, keying (scratching) paint, throwing shoes on power lines or similar structures, ransacking a property, flooding a house by clogging a sink and leaving the water running, and pulling up plants from the roots without permission.

Have you ever seen these at school?

# How do you feel when you see these?

- Someone draws or writes on the table you usually use?
  - When you are urgent to use the washroom but you see this?
- 

Have you seen these in the street?

# Consequence?

- Violate the law
  - Fine
  - community service order
  - Imprison
  - Etc...
-
