## S4 value education – care for others

### Secret friends

#### Introduction:

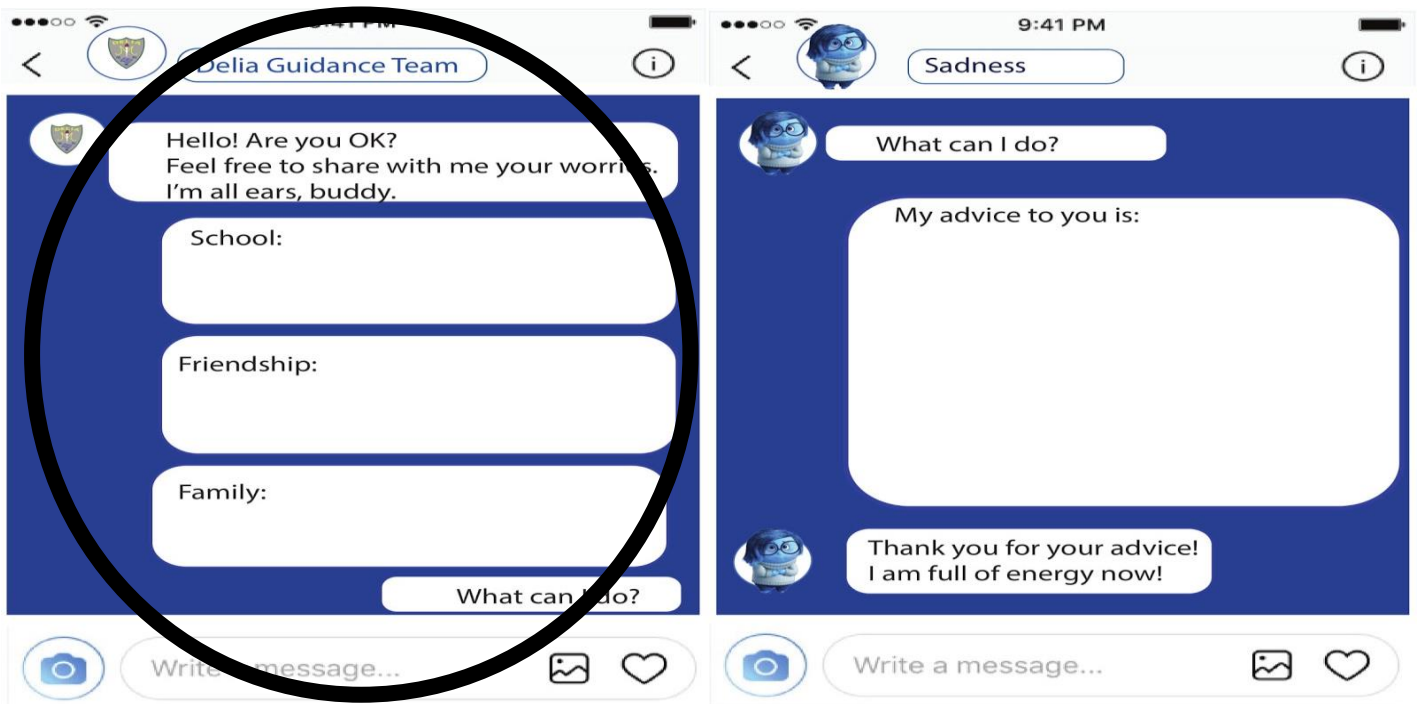

To engage students in an activity that they share their worries while at the same time giving advice to their counterparts.

#### Purpose:

1. To develop an attitude of caring for others in students.
2. To foster a caring school environment.

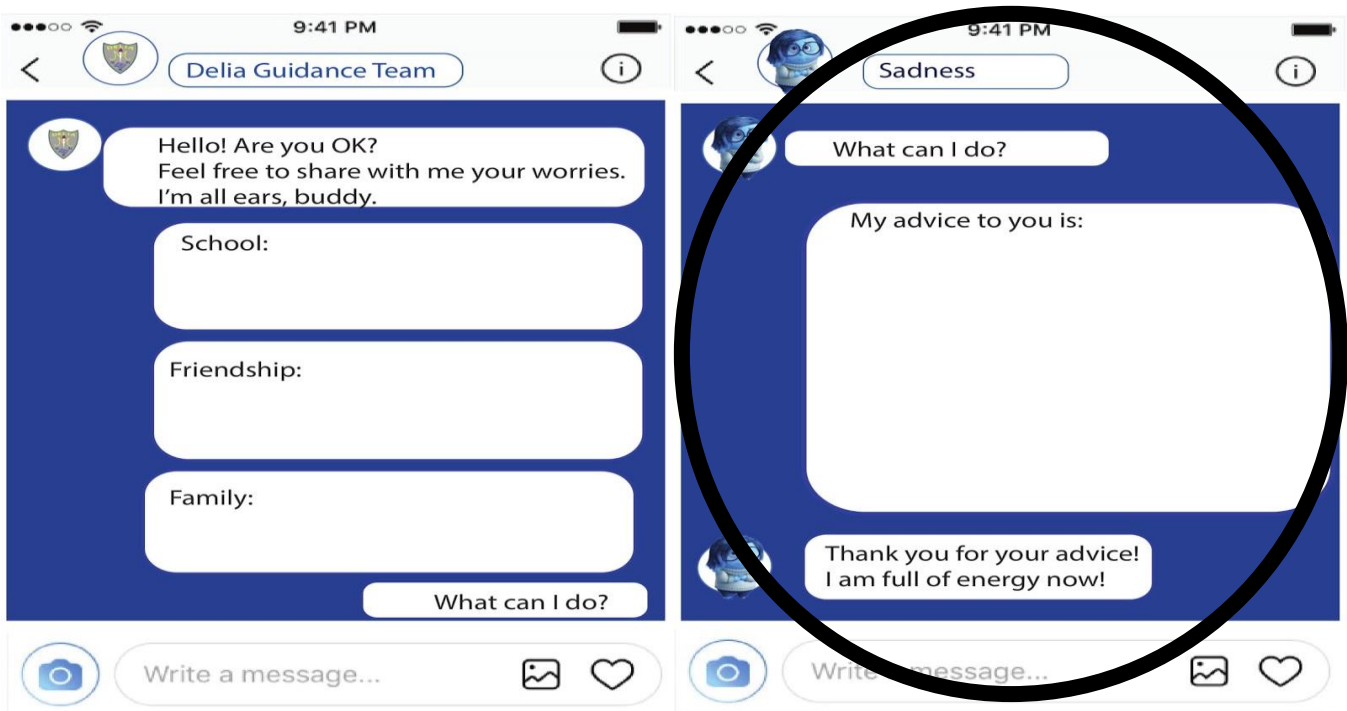

#### Procedures:

1. Each class teacher will be given a name list on which a number is assigned to each student.
2. Give the card to the students according to their assigned numbers.
3. Ask them to write down their worries in school, friendship and family on page 2.

4. Remind them not to write anything on page 3.
5. Collect the cards.
6. Distribute the cards to the class randomly.

7. Ask them to read the worries written on page 2 and write down the advice on page 3.

8. Collect the cards.

9. Give the cards to Ms Lee ML or Ms Cheung SW.

10. Ms Cheung and Ms Lee will give the cards to the S4 class teachers.

11. Return the cards to the students according to their numbers.
