

# CARE FOR OTHERS

2018-2019 GUIDANCE TEAM

# What can you do in your daily life?

STOP

focusing on your phone!!!!!!

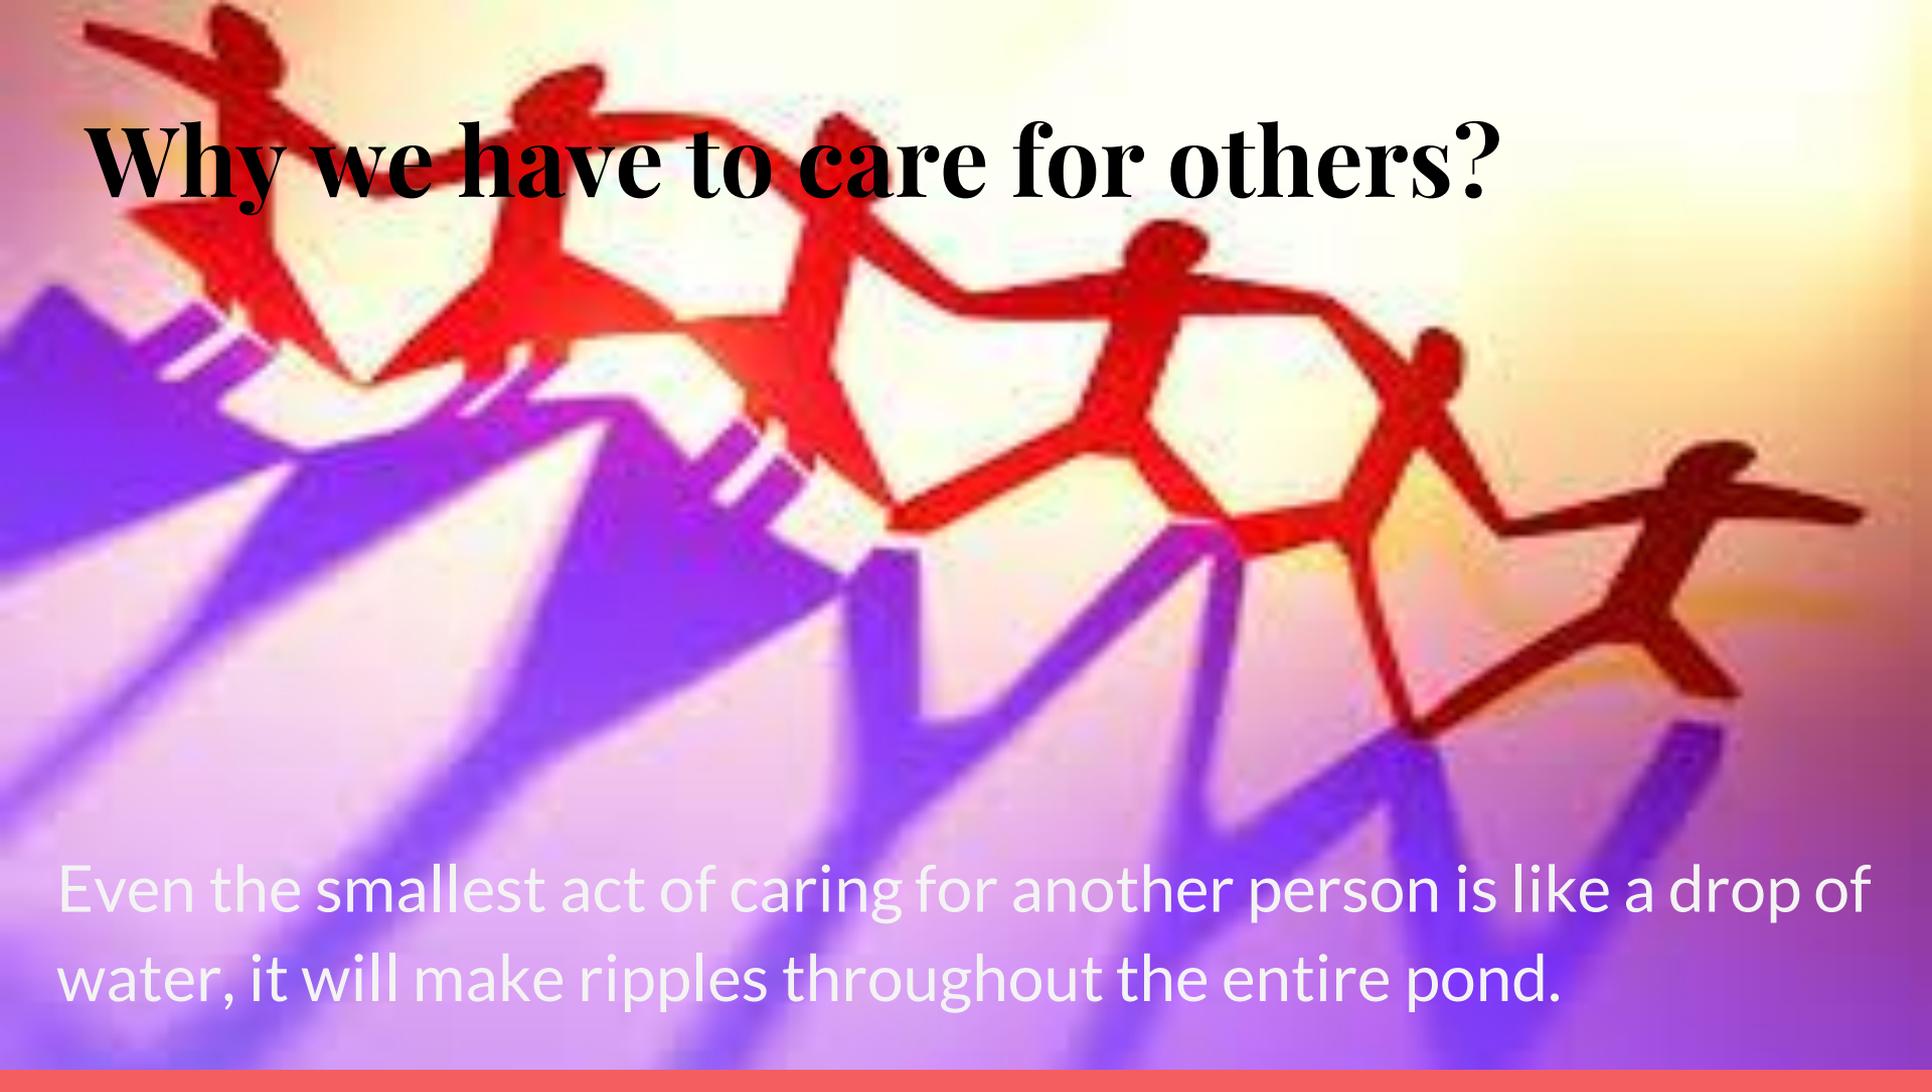

**Take the first step now.**

*Treat others  
the way  
you want  
to be  
treated.*

It is only a simple act.

# Why we have to care for others?

The background of the slide features a series of purple, jagged peaks that resemble a mountain range or a series of steps. A line of red silhouettes of people is shown walking across these peaks from left to right. Each person is holding the hand of the person next to them, suggesting a team effort or mutual support. The silhouettes are simple and stylized, emphasizing the collective action rather than individual details.

Even the smallest act of caring for another person is like a drop of water, it will make ripples throughout the entire pond.
