Why?

- Because of the law?
- Because of the culture?
- Because of the education ?

**Take responsibility
for your actions.
You only look like a
fool when trying to
blame other people
for your behavior.**

**ASIAN
BOSS**

**Hey everybody, it's Hiroko
from Asian Boss.**

where we all know that we have to
keep public places clean.

I thought picking up trash
was a normal thing,

Because we used the place,

it's courtesy to clean up.

If you think about the
person using it next,

and clean up, it'll also
be easier on the janitors.

What is your job? What is your duty?

Base on different position and different identities => relevant responsibilities

As a student

As a family member

As a citizen

A wooden suspension bridge with a railing, stretching into the distance over a dense forest. The bridge is made of weathered wood and has a simple railing. The forest is lush and green, with sunlight filtering through the trees. The bridge is the central focus of the image, leading the viewer's eye into the distance.

The only way we can change
our world is to take
responsibility for our part in it.
