

Visual Art Events 2020-2021

We may get stressful under the pandemic teaching and learning, however, our students have been being encouraged to join in different arts competitions and events. Some of them even got a good result in the competitions.

1. Sham Shui Po Art Marathon

S4-6 VA Students had successfully exhibited their artworks on The 9th Sham Shui Po Arts Marathon on 9-14 Mar 2021 in the Gallery of Jao Tsung-I Academy.

Students not only showcased their artworks to the general public, but also took this precious opportunity to experience the artwork set up process in an exhibition hall.
